Do you have lived experience of suicidal crisis, mental distress or caring or losing someone close to you because of suicide?

Helping people who come in to the Safe Space can be emotional or a heavy topic at times, are you able to self care sufficiently to support yourself in difficult times?

Once we receive your registration we will call you to discuss your involvement. This will also give us an opportunity to tell you more about the concept.

Thank you for taking the time to fill this out this form, your information will be stored sensitively and not shared outside of our Volunteer Working Group.
